THAT M'CAUSLAND SCRAPE.

McCausland is still going merrily along. Meinetke announced last evening that he would carry the matter into the league meeting next Sunday, and demand what he considers his rights regarding, this player. It is understood that he has taken the matter op with the president of the league, but can get no satisfaction. The local-fans are taking an interest in the fight, and the concensus of opinion is that Meinecke has the winning hand. Manager Risley of the Salt Lake team last evening smillingly said: "We have the man's contract, and are not worried about the final outcome of the case." McCausland is expected to arrive in the city today or tomorrow.

#### CLUB ROOMS OPENED.

Ball Players' Pleasant Quarters in Atlas Block.

The new club rooms of the ball players, located in the Atlas block, were opened yesterday, and henceforth they will be the general loading place for the city's fans. The rooms were handsomely fitted up by P. W. Madsen, who donated all the furniture, including everything necessary for the ease and comfort of the ball players while off duty. The Salt Lake club is responsible for the club rooms being engaged, and will look after them during the sible for the club rooms being engaged, and will look after them during the season. The boys intend to have smokers there in the evening and all kinds of entertainments for the amusement of themselves and friends. Captain Risley stated last evening that he wanted it distinctly understood that all the men he signed would have to have other accompilishments beside that of other accomplishments beside that of ball playing.

His players must be able to either sing, dance or have some specialty, so as to be able to do a "stunt" for the edification of the other players and their friends during the hours of lei-

(Denver Mepublican.) "Jake" Webster will pitch for the Salt Lake team in the Utah league. He will probably leave for Salt Lake April 1. Webster was the star in the box for Denver for a time last season. He accused Tebeau of "throwing him down" in salary, but said nothing about his intention of quitting the club entil he got ready to go. Then he quietly slipped out of the club and into a job with Daniels & Fisher, where he has since been employed. Webster is considered one of the best men in the box in the western country and he will prove a tower of strength to the Mormons. He will probably leave for Salt Lake

of Greatest Draught.
Glasgow, March 19.—The method adopted by George L. Watson, in weighting the keel of the Shamrock II. marks an interesting departure from his previous work. Instead of the usual bolting of a block of lead to the fin in the new boat, the manganese usual bolting of a block of lead to the fin in the new boat, the manganese bronze plating has been carried down to the point of greatest draught and the lead welg, ling nearly ninety tons, has been run inside. The advantages expected are greater rigidity, from the weight being borne inside the frames, and less friction, owing to the plate having a smoother surface than the lead.

As there is some question as to how the cup challenger will fare under British measurement rules, the Glasgow exhibition authorities have arranged a special prize for the yacht first home, irrespective of rating or allowance, in an international race which has been fixed for June 7.

# SIX MILLION

A comparatively straight and level roadbed, ballasted with dustless Sherman Granite, rendering possible the highest rate of speed, together with the greatest degree of safety. The magnitude of the work must be seen to be appreciated.

WHAT DOES IT MEAN?

Solid comfort, security and pleasure to our patrons.

ARE YOU GOING EAST?

If so, you cannot afford to go via any other than this ROYAL HIGHWAY. Further information on application personally or by letter to.

# KINGS FARE NO BETTER

When they travel, than do the everyday Americans who go east via Denver and the Burlington Route

Not a single change of cars, Salt

Lake to Omaha and Chicago; not a

feature of the service that can be

criticised by any fair-minded man or woman. Standard Sleepers daily at 8.30

Tourist cars 8.30 a. m. Thursdays; 8.20 p. m. Fridays. Call or write-we'll gladly give information about our service to the east.
